

VISIONS

A word from the Lay Director OUR NAME IS CHANGING

With our new Chrysalis Board and Community now in place, our Northern Lights Emmaus Community name is changing. After years of diligent work and dedication by the individuals of the Chrysalis Steering Committee and the new board we will officially include Chrysalis as a vital part of our Emmaus Community.

As many of you know, the Chrysalis Board is a permanent standing committee of the Emmaus Board of Directors. Chrysalis is the primary outreach of Emmaus and the Communities will work in ministry partnership, yet operate as separate programs.

On August 2nd of this year your Emmaus Board passed a motion to rename our Community the Northern Lights Emmaus/Chrysalis Community. We will share certain responsibilities and expenses,

as well as team members for Walks and Flights.

The Emmaus liaison to Chrysalis will serve on the Chrysalis Board with voice and vote and the Chrysalis liaison to Emmaus will serve on the Emmaus Board with voice and vote. This is in compliance with the regulations and bylaws of both Communities.

We know that God is at work in both of our Communities and we pray for His guidance and direction as we move forward in His name as the **NORTHERN LIGHTS EMMAUS/CHRYSALIS COMMUNITY.**

De Colores!

More words from the
Lay Director
Bill Chambers
**Welcome New
Board Members**

The stated purpose of Emmaus is "to inspire, challenge, and equip local church members for Christian action in their homes, churches, and places of work". While this has always been our express objective, each Emmaus Community has needs and Northern Lights is no exception.

Our greatest need, always, is for a number of our members to be the "hands and feet of Christ". Sponsoring fellow Christians, providing music for Gatherings, agape for Pilgrims and the Walks of other Communities, and working on teams for Walks are wonderful ways to serve on a short-term basis. Serving on our board of directors is a long-term commitment to doing the work of the Lord for our Pilgrims, members, and the overall health and growth of our Community and each person who is willing to serve is truly a blessing from God.

Each year four members of our board retire and new members are elected by the Community. We who have had the humble privilege of serving for the past three years thank God and the members of Northern Lights for this opportunity. We will cherish our experiences throughout life.

I'm certain that I speak for all of the members of our Community in expressing our sincere gratitude to T. J. Bugg,

Kyle Jones, Larry Maher and even me, Bill Chambers, for allowing Jesus to work through us over the term of our commitment to the board. We are equally grateful to and wish to thank our newest board members.

We welcome Joanne Johnson, Robert "Rocky" Bridges, Dave Homer, and Larry Huitger as well as our new Community assistant spiritual director, Rev. Richard Schechter, as our new Willing Servants. Our prayers for them are for the Holy Spirit to guide their every decision and action and for God to bless them and their families richly and abundantly as they fulfill their commitment to Him and us. We know that the Lord has picked the right persons for "such a time as this" to do His will. Our wish is that more of our members felt the call to serve as these have.

Our only lament is that in a Community that is now well over a thousand members strong we have not had to elect new board members from a pool of dozens of candidates. Perhaps God will move your heart in this direction in the future.

Please congratulate and thank each of our new board members as you see them at Gatherings and other functions and please offer your assistance to them in fulfilling the duties of their various job functions.

De Colores! and God bless each one of you today and always!

The Northern Lights Emmaus Community is committed that no person should be denied the incredible experience of an Emmaus Walk/Chrysalis Flight due to cost. The Board would like to take this opportunity to remind the community of our scholarship funds. There are both Emmaus and Chrysalis scholarship funds. These funds are designed to help subsidize the cost of a walk/flight for those who could not otherwise attend.

Is there a more loving form of agape for a church, share group, individual or family than to help another Christian take the Emmaus/Chrysalis Journey? What a terrific lesson in sacrificial giving could be taught to our children, teens and ourselves, as individuals/families forgo luxury items for a month and then donate those monies to the scholarship fund. Share groups who want to support an upcoming walk/flight but never seem to organize and make agape can now share in the act of agape through their donation to the scholarship fund.

Donations can be made the Northern Lights Emmaus Community. Please indicate Emmaus or Chrysalis Scholarship fund on the memo line of your check, in order that the funds can be designated for their intended purpose. Please send your checks to the following address:

Treasurer Northern Lights Emmaus Community, P.O. Box 38, West Chester, Ohio 45071

The Board would like to encourage the entire community to prayerfully consider supporting our scholarship funds.
